Subject : Microsoft Settlement

I'm very satisfied with the settlement between Microsoft and US Department Of Justice. The following is the main reason. As a US citizen is my duty to try my best to provide any information that is good for our country.

I have read extensively material and document on this case and settlement including : "Complaint(5/18/1998)", "Stipulation(11/06/2001)", and "Competitive Impact Statement(11/15/2001)". Its a good thing you folks and JANET RENO weren't around at the turn of the last century. If you were I wouldn't be driving my FORD.

The Department Of Justice gave Microsoft very strong order, stronger than the competition complaint about. I'm very happy that Microsoft agreea to this final settlement.

Sincerely

William G Peterson
